
About library

The Medical Library is a specialized department of the Faculty of Medicine in Hradec Králové providing library and information services for students and professional staff of the Faculty of Medicine in Hradec Králové and the University Hospital Hradec Králové and other users.

The Medical Library collections involve textbooks, monographs, journals, theses, and the electronic resources of books, journals, and bibliographic databases. The library also has a historical collection of medical books and magazines from the turn of the 19th and 20th centuries.
